

Deansrath Community College

Our Purpose

- To allow our students to mature and grow in confidence.
- To acquire a new range of skills.
- To experience subjects in a different way.
- To prepare them to become responsible members of society.
- To consider their future.
- To broaden their view of the world.

Transition Year Programme

This is a one year optional programme that provides a bridge for our students to make the transition from Junior Cycle learning to the more independent style learning associated with the Leaving Certificate.

We devise our own programme following the DES Transition Year Guidelines; whilst also considering students needs, parent views, employers and the wider interests of the local community.

Our programme is designed around our teachers extensive range of expertise

Ty 's are timetabled for

1. Core Subjects
2. Subject Sampling
3. TY Specific Programmes
4. Significant Learning Experiences
5. Work Experience and Career research
