The school uniform is an essential part of the College's identity. When students are in school uniform they are representing Deansrath Community College. Students must wear the school uniform at all times, including trips and extra-curricular activities unless they receive explicit permission to wear additional or alternative clothing. Parents/Guardians are expected to support and co-operate with the College by ensuring their child wears the school uniform. The school uniform should be clean and tidy at all times. Requests for uniform exceptions on medical grounds must be accompanied with a written explanation from the relevant health professional.
